Corporate
Sales

Designed, tested and proven in the ultimate outdoor test lab — New Zealand, Macpac gear is engineered to take on the elements.

If your job requires you or your team to spend time outdoors, Macpac will help you **weather anything**. Macpac's Corporate Team has more than 40 years experience in the outdoors, working with businesses and education providers across New Zealand and Australia. We can recommend Macpac products suited to your requirements or customised product to suit, and also provide advice on embroidery and repairs.

We offer special pricing to commercial and education customers, including bulk purchase discounts – only available through the Macpac Corporate Team. Please contact us for a quote or to discuss your outdoor equipment and apparel/uniform requirements.

About Corporate Sales

Sabre Jacket

Men's	122195	Black, Navy, Cherry Red	XS – 4XL
Women's	122199	Black, Navy, Cherry Red	6 – 20

Sabre jackets are for water resistant, everyday protection. They're made with a breathable and abrasion resistant softshell fabric, ideal in changing conditions, and are laminated for protection under light showers. A water repellent finish helps to repel moisture and a soft fleece lining increases warmth and comfort. These jackets will look great with your logo embroidery.

Also available in Men's and Women's hooded jacket.

Chord Jacket

Men's	114235	Anthracite	S – 3XL
Women's	121704	Anthracite	6 – 18

These smart softshells are warm, versatile, and weather resistant. They use a 3-layer softshell fabric that's highly breathable, and wind and water resistant. The smooth outer has a water repellent finish that helps to repel moisture and a soft fleece lining increases warmth and comfort. These jackets will look great with your logo embroidery.

Also available in Men's and Women's hooded jacket.

Pisa Fleece Jacket

Men's	115339	Black, Red Orange	S – 2XL
Women's	115343	Black, Tapestry	8 – 16

Lined with Polartec® Alpha® Direct, this jacket is moisture-wicking when you're moving and warm when you're not. It's fast-drying, breathable, and packable. A ripstop nylon outer increases wind resistance, and the water repellent finish improves moisture repellency.

Uber Light Down Jacket

Men's	122548	Black & Various	XS – 4XL
Women's	122549	Black & Various	6 – 24

Light and packable, the Uber Light Jackets are ideal for layering when cold weather strikes. Made with a lightweight recycled nylon outer and a water repellent finish to repel moisture, they're filled with 650 loft duck down for exceptional warmth and compressibility. Will look great with your logo embroidery! This product contains RDS down certified by CU 1210688.

Also available in Men's and Women's hooded jacket.

Halo Down Jacket

Men's	119143	Black & Navy	XS – 4XL
Women's	119374	Black & Navy	6 – 24

These jackets are a winter staple. Filled with 600 loft duck down, they provide plenty of warmth, while a water repellent finish encourages water to bead and roll off the fabric's surface. The jacket also packs neatly into an internal pocket. This product contains RDS down certified by CU 1210688.

Also available in Men's and Women's hooded jacket.

Sundowner Jacket

Men's	119367	Black	XS – 3XL
Women's	119368	Black	6 – 18

The Sundowner is a technical down jacket for cold conditions. It's filled with water resistant 600 loft ALLIED Feather + Down HyperDRY duck down with an ultralight Pertex® Quantum nylon outer for thermal efficiency in varied environments. This product contains RDS down certified by CU 1210688.

Tui Fleece Pullover

Men's 119248 True Black & Various XS – 4XL
Women's 119249 True Black & Various 6 – 24

Made with Polartec® Micro Fleece® fabric, the Tui is a versatile layer that provides warmth without the weight. Fast-drying and breathable, it's perfect as a mid-layer for light hikes, travel, and everyday wear. Will look great with your logo embroidery!

Tui Fleece Jacket

Men's 119121 True Black & Various XS – 4XL
Women's 119122 True Black & Various 6 – 24

Made with Polartec® Micro Fleece® fabric, the Tui is a versatile layer that provides warmth without the weight. Fast-drying and breathable, it's perfect as a mid-layer for light hikes, travel, and everyday wear. Will look great with your logo embroidery!

Mountain Fleece Jacket

Men's 122299 True Black & Various XS – 3XL
Women's 122298 Baritone Blue & Various 6 – 24

This jacket is made with a heavyweight high-pile fleece with a plush lining for exceptional comfort. Stretchy side panels ensure unrestricted movement, while thumb loops add extra length for warmth when needed. The adjustable hem can be cinched for a snug, customised fit.

Also available in Men's and Women's hooded jacket.

Kauri Merino Pullover

Men's	122933	Black, Navy Iris, Charcole Marle	XS – 2XL
Women's	122418	Black, Navy Iris	8 – 18

The Kauri is the ideal mid layer on cold days. Made with 280 merino wool, it provides natural temperature regulation and odour resistance, and the midweight yarn provides breathability and warmth.

A ¼ front zip also provides temperature regulation and thumb loops add some additional coverage on cold days. Raglan sleeves help to reduce friction and pressure points when carrying a backpack.

Nitro Fleece Top

Men's	115606	Black, Deep Depths, Red Orange	S – 2XL
Women's	115658	Black, Blue Wing, Teal, Pomegranate	8 – 18

This versatile Alpine Series mid layer is for pared-back performance. It's ideal for any pursuit that requires a lightweight, breathable layer for protection. Designed for high-output activities like mountaineering, multi-sport racing, trail running, and thru-hiking.

Polartec® Alpha® Direct fleece is moisture-wicking when you're moving and warm when you're not. It's quick-drying, breathable, and packable.

Sabre Vest

Men's	122197	Black	S – 3XL
Women's	114130	Black	8 – 18

This mid-weight softshell vest is for all-round protection. It's highly water resistant, warm, and breathable. It's made from an abrasion resistant softshell fabric that's ideal in changing conditions. It's laminated for protection under light showers and it has a water repellent finish to help repel moisture. A soft fleece lining increases warmth and comfort.

brrr° Long Sleeve Shirt

Men's	121247	Cornstalk & Windward Blue	S – 3XL
Women's	121248	Cornstalk & Windward Blue	8 – 18

brrr° long sleeve shirts are for adventures under the sun. They're made from a fabric that's cooling, wicking, and quick-drying. Triple Chill Effect® fabrics combine cooling minerals with active wicking and rapid drying technology to reduce the temperature of your skin. They also offer UPF sun protection.

Venture Polo

Men's	122146	Black	S – 2XL
Women's	122283	Black	8 – 18

The Venture polo is a summer essential. It combines the properties of merino wool and TENCEL™ Lyocell fibres for comfort and style. Merino wool, known for its breathability and moisture-wicking capabilities, helps to regulate temperature on hot days, while TENCEL™ Lyocell fibres are naturally soft and smooth to the touch.

Eyre Polo

Men's	119941	Black & Navy	S – 3XL
Women's	119943	Black & Navy	8 – 18

Eyres are light, breathable and moisture-wicking. They're made from a polyester main fabric with Polygiene StayFresh™ technology to inhibit the growth of odour-causing bacteria, keeping unpleasant smells at bay. Will look great with your logo embroidery!

Uber Light Down Vest

Men's	122550	Black & Various	XS – 4XL
Women's	122551	Black & Various	6 – 20

Light and packable, the Uber Light Vests are perfect for layering when cold weather strikes. Made from a lightweight recycled nylon outer with a water repellent finish that helps repel moisture and 650 loft duck down for compressibility and warmth. Will look great with your logo embroidery! This product contains RDS down certified by CU 1210688.

Halo Down Vest

Men's	119375	Black & Various	XS – 3XL
Women's	119377	Black & Various	6 – 20

These vests are a winter staple. Filled with 600 loft duck down, they provide plenty of warmth, while a water repellent finish encourages water to bead and roll off the fabric's surface. The jacket also packs neatly into an internal pocket. This product contains RDS down certified by CU 1210688.

Also available in Men's and Women's hooded vest.

Pulsar Hooded Jacket

Men's	121581	Black, Deep Depths	S – 2XL
Women's	121582	Blue Wing Teal	8 – 16

The Pulsar synthetic climbing jacket is engineered for warmth in cold, damp conditions. Finished in a clean aesthetic, it's made with PrimaLoft® Gold PURE insulation with a Pertex® Quantum NetPlus® ripstop nylon outer shell. NetPlus® material is made from post-consumer recycled nylon from discarded fishing nets.

Narvi Down Jacket

Men's	122017	Black, Tarmac	S – 3XL
Women's	120549	Black, Tarmac, Aragon	6 – 18

This boxy down jacket is made with a matte outer fabric and filled with 600 loft duck down. Wide, horizontal baffles are bonded so there is no visible stitching, and the centre storm flap (held in place by discreet domes) hides the zip as well. The oversized hood can be zipped off for a simpler look. Finishing at the hips, there are hem adjustments to trap warmth.

Also available in Women's long coat.

All-Seasons Snow Jacket

Men's	120937	Black, Ensign Blue, Iceberg Green	S – 2XL
Women's	121659	Black, French Oak, Xenon Blue	8 – 16

An insulated snow jacket filled with PrimaLoft® Black synthetic insulation and designed in a relaxed fit to keep you warm on the slopes. Featuring a helmet-compatible hood, powder skirt, underarm ventilation and handy pass pocket.

Phoenix WP Down Jacket

Men's	121689	Black, Golden Brown	S – 2XL
Women's	121690	Black, Red Ochre	8 – 16

Warm and waterproof, the Phoenix down jacket is perfect for those cold, wet days. A 3-layer Pertex® Shield outer fabric protects you from the elements and a water repellent finish encourages water to bead and roll off the fabric's surface. The bonded box baffles also ensure the insulation remains in place without letting water in. ALLIED Feather + Down HyperDRY goose down is through the body, arms, and hood, and synthetic PrimaLoft® Gold insulation is in the chin, shoulder and cuff panels.

Copland Rain Jacket

Men's	122571	Urban Chic	XS – 4XL
Women's	122572	Winetasting	8 – 24

The Copland is designed for hikes in bad weather. It's designed with a longer body length for extra coverage so it's your best friend in unpredictable weather.

It's made from a durable 3-layer Reflex™ recycled nylon fabric to provide waterproof, windproof and breathable protection. It's also finished in our longest cut for extra coverage, with a water repellent finish that helps water bead and roll off the fabric's surface.

Lightweight Prophet Rain Jacket

Men's	119190	Black, Tangerine Tango	XS – 3XL
Women's	119191	Black, Toreador	8 – 24

A technical alpine hardshell designed for serious use above the snowline. Made with durable 3-layer Pertex® Shield Pro fabric in two weights, it provides waterproof protection and reinforced strength in areas prone to wear. The breathable membrane minimises sweat build-up by wicking moisture to the exterior, while underarm pit zips ensure extra airflow when needed.

Pack-It Jacket

Unisex	113383	Black & Various	XXS – 3XL
--------	--------	-----------------	-----------

The unisex Pack-it Jacket is an effective, compact option for mild weather and light showers. They're made with taped seams to help keep moisture out with a basic level of breathability. Finished with a water repellent finish to help water bead and roll off its surface.

Dispatch Rain Jacket

Men's 115373 Black S – 3XL
Women's 115375 Black 8 – 18

The Dispatch is a versatile choice for everyday wear. Made with a 2.5-layer Reflex™ outer shell, it's fully seam-sealed, windproof, and breathable. Ideal for stashing in your bag for a day of hiking or quick commutes around town.

Mistral Rain Jacket

Men's 119671 Black & Navy XS – 2XL
Women's 119672 Black & Navy 6 – 24

An all-round rain jacket that can be packed away in seconds. It's fully seam sealed and waterproof, with a YKK AquaGuard® front zip, built-in visor, and flaps over the side pockets for extra coverage.

Resolution Raincoat

Men's 115183 Black S – 2XL
Women's 115185 Black 8 – 16

Made from a durable 3-layer Pertex® Shield fabric to provide waterproof, windproof and breathable protection, this jacket is engineered for durability, performance and comfort when you're out in stormy weather. Finished in a long cut for extra coverage, with a water repellent finish that helps water bead and roll off the fabric's surface.

Fitzroy Pant

Men's 114926 Black S – 2XL
Women's 114927 Black 8 – 24

Designed and tested in partnership with the New Zealand Alpine Team, these technical softshell pants are perfect for mountaineering and alpine hiking. They're made from a highly water resistant and wind resistant polyester/elastane fabric that's durable and stretchy. It has a warm fleece backing in the upper for warmth and a smooth tricot knit in the lower for comfort. The outer is finished with a water repellent finish to help repel moisture.

Jet Stream Pants

Men's 115221 Black XS – 2XL
Women's 115222 Black 6 – 18

Waterproof, windproof, and fully seam sealed, they're made with our Reflex™ membrane for breathable protection with a water repellent finish for improved water repellency.

Trekker Pants

Men's 121241 Black 32 – 40
Women's 119919 Black 8 – 18

These UPF rated softshell pants balance protection and breathability. They're made from Pertex® Equilibrium, a fabric with a double-weave construction that moves moisture away from your body without compromising protection. It also provides 4-way stretch, so you can step up and over obstacles with ease. A water repellent finish encourages water to bead and roll off its surface.

Also available in Men's and Women's shorts.

Nemesis Pant

Men's 121563 Black 32 – 40

Abrasion resistant and durable hiking pants in a winter-weight softshell fabric. These pants are designed to provide warmth and technical protection in cold, exposed environments. A water repellent finish also encourages water to bead and roll off the fabric's surface.

Geothermal Long Sleeve Top

Men's 119180 Various XS – 2XL
Women's 119183 Various 6 – 20

An essential thermal base layer made from recycled polyester main fabric. Quick-drying, warm, soft, and moisture-wicking.

Also available in Men's and Women's short sleeve top.

Geothermal Pants

Men's 119182 Various XS – 2XL
Women's 119185 Various 6 – 20

An essential thermal base layer made from recycled polyester main fabric. Quick-drying, warm, soft, and moisture-wicking.

Merino 220 Long Sleeve Top

Men's 114747 Black XS – 2XL
Women's 114761 Black 6 – 18

These thermals are made from midweight merino wool for warmth and durability. Merino wool is one of nature's finest fibres. It offers natural temperature regulation and odour resistance.

Also available in Men's and Women's short sleeve top.

Merino 220 Long Johns

Men's	114748	Black	XS – 2XL
Women's	114762	Black	6 – 18

These thermals are made from midweight merino wool for warmth and durability. Merino wool is one of nature's finest fibres. It offers natural temperature regulation and odour resistance.

Exothermal Long Sleeve Top

Men's	121650	Various	S – 3XL
Women's	121651	Various	8 – 18

A performance base layer made from Polartec® PowerDry®. Exothermals are lightweight, breathable, and fast drying. An essential layer for use in all weather conditions.

Exothermal Pant

Men's	121652	Various	S – 3XL
Women's	121653	Various	8 – 18

A performance base layer made from Polartec® PowerDry®. Exothermals are lightweight, breathable, and fast drying. An essential layer for use in all weather conditions.
